Location Request

We DO NOT guarantee any particular space location. Please list any special space or location needs you may have. We will do our best to honor your request. Spaces will be located on the east and south sides of the Eaton Recreation Department. Please list below any special needs or requirements you will have:

Recycling

The Eaton Area Park & Recreation District is making every attempt to reduce the amount of trash generated at our events. To this end, we will make recycling stations visible and readily available to all our guests and exhibitors. Please make an effort to use items that can be recycled and to reduce the use of items that end up in the landfill. We appreciate your assistance in this matter.

Exhibitor Guidelines

As a participant of the Trunk-or-Treat event for the Eaton Area Park & Recreation District, I fully agree to the following:

I recognize and acknowledge that I assume full risk of any injury, property damage or loss which I may sustain as a result of my participation in the Trunk-or-Treat event. I understand that I will store my products at my own risk and am responsible for providing candy, prizes, and/or small advertisement items to the attendees. Exhibitors will be assigned on a first-come, first-serve basis and are not allowed to sell any items or solicit donations. All exhibitors must clean up their area before leaving and place trash in receptacles. The Eaton Area Park & Recreation District encourages and strives to recycle items, whenever possible. All exhibitors will be responsible for move in/move out and set up of their own space.
